The liability of the sub-processor shall be limited to its own processing operations under the Clauses.
Clause 7. Mediation and jurisdiction	
7(1)	<p>The data importer agrees that if the data subject invokes against it third-party beneficiary rights and/or claims compensation for damages under the Clauses, the data importer will accept the decision of the data subject:</p> <p>(a) to refer the dispute to mediation, by an independent person or, where applicable, by the Commissioner;</p> <p>(b) to refer the dispute to the UK courts.</p>

Clause 9. Governing law	The Clauses shall be governed by the law of the country of the United Kingdom in which the data exporter is established, namely England.

Where the data importer subcontracts its obligations under the Clauses, with the consent of the data exporter, it shall do so only by way of a written agreement with the sub-processor which imposes the same obligations on the sub-processor as are imposed on the data importer under the Clauses ² . Where the sub-processor fails to fulfil its data protection obligations under such written agreement the data importer shall remain fully liable to the data exporter for the performance of the sub-processor's obligations under such agreement.
11(2)	The prior written contract between the data importer and the sub-processor shall also provide for a third-party beneficiary clause as laid down in Clause 3 for cases where the data subject is not able to bring the claim for compensation referred to in paragraph 1 of Clause 6 against the data exporter or the data importer because they have factually disappeared or have ceased to exist in law or have become insolvent and no successor entity has assumed the entire legal obligations of the data exporter or data importer by contract or by operation of law. Such third-party liability of the sub-processor shall be limited to its own processing operations under the Clauses.
11(3)	The provisions relating to data protection aspects for sub-processing of the contract referred to in paragraph 1 shall be governed by the laws of the country of the UK where the exporter is established.
11(4)	The data exporter shall keep a list of sub-processing agreements concluded under the Clauses and notified by the data importer pursuant to Clause 5(j), which shall be updated at least once a year. The list shall be available to the Commissioner.
Clause 12. Obligation after termination	

12(1)	The parties agree that on the termination of the provision of data-processing services, the data importer and the sub-processor shall, at the choice of the data exporter, return all the personal data transferred and the copies thereof to the data exporter or shall destroy all the personal data and certify to the data exporter that it has done so, unless legislation imposed upon the data importer prevents it from returning or destroying all or part of the personal data transferred. In that case, the data importer warrants that it will guarantee the confidentiality of the personal data transferred and will not actively process the personal data transferred anymore.
12(2)	The data importer and the sub-processor warrant that upon request of the data exporter and/or of the Commissioner, it will submit its data-processing facilities for an audit of the measures referred to in paragraph 1.
Indemnification	<p>Liability</p> <p>The parties agree that if one party is held liable for a violation of the clauses committed by the other party, the latter will, to the extent to which it is liable, indemnify the first party for any cost, charge, damages, expenses or loss it has incurred.</p> <p>Indemnification is contingent upon:</p> <p>(a) the data exporter promptly notifying the data importer of a claim; and</p> <p>(b) the data importer being given the possibility to cooperate with the data exporter in the defence and settlement of the claim.</p>
Priority of standard contractual clauses	<p>The Standard Contractual Clauses take priority over any other agreement between the parties, whether entered into before or after the date these Clauses are entered into.</p> <p>Unless the Clauses are expressly referred to and expressly amended, the parties do not intend that any other agreement entered into by the parties, before or after the date the Clauses are entered into, will amend the terms or the effects of the Clauses, or limit any liability under the Clauses, and no term of any such other agreement should be read or interpreted as having that effect.</p>

²This requirement may be satisfied by the sub-processor co-signing the contract entered into between the data exporter and the data importer under this Decision.
